Comments : Casey,

I've been meaning to write you a note for the longest time, thanking you for being such a great builder. You built our home on 625 Burlington Road back in 2003-2004. We live in a more expensive home here in TN, but the quality does not compare to yours. We love Tennessee, but we miss our house in San Angelo. I just wanted to say a heart-felt thank you for being so easy to work with, having high ethical standards and for just building a quality, solid built home. You built it as if it was going to be yours. Jennifer and I have joked often that it would be "nice to have Casey come to Tennessee" and build us a home!

If you ever need any references, recommendations or anything, please don't hesitate to contact us.

Warmest Regards,
Phil and Jennifer Baker
